”

*Building Tomorrow,
Today.*

About VSP

Since its inception in 2013, UBC's Vancouver Summer Program (VSP) has provided diverse and enriching educational experiences for thousands of international activities specific to Vancouver and its surroundings. The VSP encourage students to engage in cross-disciplinary learning and develop their understanding of Canadian culture and values.

About UBC Civil

At UBC Civil, we envision pioneering education and research endeavors that positively impact society, nature, and the built environment.

We deliver dynamic, integrated learning experiences that inspire students to become equitable and informed leaders. Join us in shaping a sustainable and inclusive future!
